

Baking fun, make and decorate your own cookies

Build your child's independent living skills in our commercial training kitchen.

Fun time in the kitchen learning about food preparation and safely handling utensils. Experiment and create with allergy-free, natural ingredients.

Let your imagination run free. Make a face, create a swirl and eat the results in this delicious interactive workshop.

Computers, movies, media, art and animation

Learn new computer skills and explore your creative side in this kids tech environment.

Create an animation, make a movie, explore and learn how to operate a digital film camera. Edit and create your own animations and films with our immersive digital programs.

Call 02 8777 0500 or visit us at thejunctionworks.org to book your next school holiday fun.

School holidays & weekends, Kids 7+ disability programs

Enrichment and opportunity for every child

Our new, purpose built, Seven Hills Campus offers a bustling and lively school holiday program, 7 days a week, with an emphasis on engagement, immersive learning, communication and friendship.

Seven Hills Campus
Unit 5, 197 Prospect Hwy
Phone (02) 8777 0500

Our purpose built facility and extensive range of programs focus on kids as individuals.

Our Kids 7+ Programs have been specifically designed to include children at every step and promote confidence and self expression. The breadth of programs means that any activity is within reach. Our staff are ready to shape programs around kids enjoyment and social goals.

Our co-designed facilities are brand new and have been purpose built to add to the enrichment of all participants.

There is an onsite and fully operational commercial kitchen, indoor splash room, sensory garden, digital multimedia studio, music and art rooms, and onsite access to allied health professionals.

Plant and grow to create your own garden

Learn how to plant and care for plants in our wonderful indoor garden environment.

Learn how to pot growing flowers, herbs and vegetables for the kitchen. Create and print a unique colouring-in book of your favourite flowers and trees.

Sing, dance, make new friends

Build confidence and make lasting friendships through our music, dance and movement programs.

Safe stretching, yoga and movement classes. Sing-a-long Karaoke. Learn to choreograph your own dance routines with our specialist dance teachers.

Our wealth of Kids 7+ Programs are waiting for you to try, weekends and throughout school holidays.
